COMNAVCRUITCOM INSTRUCTION 1130.8J CHANGE TRANSMITTAL 3

From: Commander, Navy Recruiting Command

Subj: NAVY RECRUITING MANUAL - ENLISTED

Encl: (1) Navy Recruiting Manual-Enlisted with change pages incorporated.

1. Purpose. To implement revisions to COMNAVCRUITCOMINST 1130.8J, effective 28 June 2012.

2. Discussion. This change transmittal implements revised policy and procedures to the education criteria required for basic enlistment eligibility. The law contained in the Fiscal Year 2012 National Defense Authorization Act (NDAA) prescribes treatment of certain non-traditional high school graduates (covered graduates) in the same manner as a graduate of a traditional high school. Subsequently, the Office of the Assistant Secretary of Defense (OASD), Readiness and Force Management, has issued revised DoD education policy. Volume II, Chapter 2, Section 4 of enclosure (1) has been revised and should be read in its entirety. Volume III, Chapter 1, Section 2, has also been revised to reflect proper education codes used for documenting the DD Form 1966. Future Sailors qualified under previous education policy will be allowed to remain in DEP and ship.

3. Action. Enclosure (1) is available on the command's website and the link is provided in the distribution information below. The List of Effective Pages (LOEP) will identify change pages.

4. Questions regarding this change transmittal may be directed to COMNAVCRUITCOM N35, Policy and Programs Division, at 901-874-9465.
